127 E. State St.

+ Outdoor Activities!

**NATIONAL
SAFETY
MONTH 2019**

National Safety Council

Here are just a couple highlights of the event:

- * State Police Vehicle Rollover Simulator
- * Vehicle Safety
- * St. Mary's Healthcare Dietician and Cancer Peer Education
- * CDPHP with Case Management!
- * Lyme Disease Awareness
- * Raffle Prizes
- * **Safety and Wellness Poster Contest**
(details on contest flyer)

The "If you see it, say it!" Safety Campaign officially kicked off on June 3.

As an added incentive, all managers who attend are asked to pick a random employee's "If you see it, say it" entry to bring to the Expo to enter into a special raffle prize drawing.

Safety and Wellness Poster Contest

Create your July Safety Board and bring it to display at the Safety and Wellness Expo on July 26, 2019, 10AM to 1PM, at Gloversville Day Hab, 127 E. State Street in the Gymnasium!

At the end of the event, the members of the Safety and Wellness Expo Committee will judge each entry based on the clarity of the meaning of safety and the most creative and artistic way of displaying agency best practices.

The supervisor of the winning team will receive \$100 to spend on their group!

Be creative and have fun!

Please include on the back of your board the name of your program or residence and the names of everyone who helped create your vision of safety.
