

More Price Transparency than Ever Before

Your employees deserve to know what they're paying – or could be paying – for their prescription drugs. And, it could save your business money in the process.

Our pharmacy app, **CDPHP ConnectRx, On the Go**, will enable your employees to:

- ▶ View their current medication list and alert them to savings opportunities
- ▶ See if they're eligible for additional savings using a CDPHP Rx for Less pharmacy
- ▶ Request a medication or pharmacy switch
- ▶ View how much a medication will cost*
- ▶ Get alerts about screenings or appointments they may need to stay healthy
- ▶ And more!

CDPHP ConnectRx, On the Go is now available in the App Store or Google Play. Employees should have their CDPHP member ID handy to fill in personal information, register, and begin saving money on their prescription drugs!

For questions or additional guidance on money-saving opportunities, please contact your CDPHP representative.

** Pricing cannot be calculated for drugs requiring prior authorization.*
